Council will advise Minister of views on Edmonton report

Councillor Thronsdon led off the discussion Monday night on the City Annexation report "The Future of This City" by saying he hoped council would not allow the 1 1/2 hour discussion recommended by committee meeting on the 13th. "I hope we don't give the report that much credence," he said. "Probably we should," said Coun. Fyfe, but Thronsdon noted that "we've had a meeting" - referring to the joint meeting July 31 when Councils of Fort Saskatchewan, Counties Strathcona and Parkland, M.D. Sturgeon and St. Albert met together.

"Generally speaking," said Coun. Bakker, this report seems to support one single government, while at the same time saying more citizen participation is needed in municipal government. Councillor Bakker said he has seen examples of large unitary government and felt they did not encourage resident participation. While the area councils may be useful, he said, I would prefer to see Edmonton test them first in their present situation. After they are instiga-

ted and shown to work properly for meaningful participation, then our council might re-examine its position. By meaningful participation Coun. Bakker wants to see firm examples to include successful vetoing of a rezoning bylaw by the public.

In his opinion Edmonton wants the huge annexation for two main reasons: because Calgary has something less than 300 square miles and Edmonton wants to be bigger and the matter of power - the city could come more powerful that the provincial government - which presumably would give them clout.

The idea that big government is more effective needs facts before it is adopted, said Councillor Bakker. He said council should make its views known to the government that proof is needed that such a unitary government is better for people.

"This is not shown in the report - and it has not been shown in practice," he said. Coun. de Bruijn said a pertinent fact was pointed out in a news report favoring city control and citting

that the city spent 1.9 million more on planning than the total spent by the surrounding areas. "If you look at these areas," said de Bruijn, "you will find that they are better planned than the city on the smaller budget - so who's most efficient?"

Pointing out that an opinion poll in St. Albert showed 80 per cent of the residents opposed to amalgamation with Edmonton, Coun. Hudson said that nobody has polled the Edmonton residents on their reaction to the proposed annexation plan. He felt the city people would oppose the plan and that council should bring the matter of such a poll to the attention of the provincial government.

Coun. Lukay said he personally feels that St. Albert is "a much better community than Edmonton - but for how much longer?" The report he said points out that St. Albert is changing and the new residents will lack this community living. "Why do we need to grow - do our citizens favour it?" he asked.

Sturgeon MD Recreation Board Chairman Reg Crozier (left) displays a cheque of the amount of \$8,800 just handed him by St. Albert M.L.A. Ernie Jamison. The previous day (Thursday, August 16) Mr. Jamison presented another cheque to the Recreation Board, this one was of the amount of \$32,778 being the balance of a provincial capital development recreation grant of \$61,578. The Recreation Board obtained its total grant money in three payments, the first was made last year for \$20,000. Last Thursday and Friday two more cheques were presented to bring the total recreation allowance to over \$91,000. BACM Forging Ahead With Landfill Plan

The sanitary landfill situation in St. Albert is by no means settled according to town officials and a further waiting period is anticipated before a decision has been reached. Two sites are under consideration, one located adjacent to the Alfalpa Plant . . . which the town would operate . . . and the other site is presently being developed as a proposed landfill operation by BACM Industries Ltd. This site is located between 170 and 156 streets just south of 137 Ave., adjacent to Inland Cement Co. Ltd.

W. T. (Bill) Thomson, manager of administrative services and resource development for Standard General Construction Limited said last week that plans are moving slowly but surely towards establishing the proposed sanitary landfill operation. However, Mr. Thomson declined to hint at a possible opening date, he simply said that research was proceeding and the entire project was gradually being planned for integration within the multi-interest firm.

Mr. Thomson did reveal, with a certain amount of satisfaction that all municipalities in this vicinity have

indicated interest in the prospects of a modern sanitary landfill operation in the area and all have volunteered support of the plan. "Not one municipality in the area," said Mr. Thomson, "has objected to our landfill proposal." In fact many have frequently asked us when do we expect to be in operation. Mr. Thomson said that it was very encouraging to note the way in which the BACM-designed sanitary landfill

operation is being received. Late last week, officials of Standard General and BACM Industries Ltd. met with Hon. W. J. Yurko, minister of the environment and Hon. Neil Crawford, minister of health and social welfare to continue previously initiated discussions regarding the sanitary landfill proposal.

Sturgeon MD Adopts 'No-Shooting' Bylaw

The Municipal District of Sturgeon has bylaw restricting the discharging of gun and other firearms on public roads as well as on private property was ratified at the August 16-17 regular meeting of council.

Now that the bylaw has been given third and final reading, proper signs will be posted throughout the municipality immediately and strict enforcement of the law will be implemented.

The Municipal District of Sturgeon gave the bylaw its first reading early in July,

advertised same in The Gazette then conducted a public hearing July 16 at which over 100 enthusiastic ratepayers attended.

At the public hearing, ratepayers strongly voiced the opinion that the bylaw under consideration must be ratified immediately and enforced most vigorously. Many ratepayers complained of vandalism caused by unwanted visitors in the municipality who fire off guns indiscriminately, often killing livestock, farm fowl

After holding what was termed a very successful meeting with the Edmonton Separate School Board, Mr. V. J. Maloney, superintendent of schools for the St. Albert Public School District announced today (Wednesday, Aug. 22) Grade 1 pupils of either French or English backgrounds may attend Grandin School in Edmonton, at the Father Jan Junior High School in St. Albert Friday, August 24, 1973 at 9 a.m.

The St. Albert Public School District statement released today by Mr. Maloney says that in response to inquiries from parents concerning the French program, the board has conducted a comprehensive survey to ascertain the number of pupils who would enroll. The press release reveals that a very small number of St. Albert residents would actually place their children in classes where French is the language of instruction.

In view of these findings the St. Albert Public School Board has explored the alternative of securing this service from the Edmonton Separate School District and the school to be used is Grandin School at 9844 - 110 Street, Edmonton.

In enlisting on the press release, Mr. Maloney said

that the committee meeting of the two school boards reached an agreement whereby Grade 1 pupils only, of either French or English backgrounds could be admitted. Mr. Maloney also pointed out that parents are asked to pre-regi their Grade 1 children who would be attending Grandin School in Edmonton, at the Father Jan Junior High School in St. Albert Friday, August 24, 1973 at 9 a.m.

PC Anniversary Social Date Set For Aug. 30th

There is fun in store for everyone attending the second annual St. Albert Progressive Conservative Association anniversary social Thursday, August 30 in the St. Albert Community Hall at 9 p.m.

Tickets, going at only \$4 per person includes dancing, entertainment and refreshments and can be obtained from Ernie Jamison at 459-7001 or 459-3852 and

"This pre-registration does not require the attendance of the children," Mr. Maloney said.

The St. Albert Public School Board is considering providing some assistance with respect to transportation of these children and study is also continuing of oral French instruction in the No. 3 School District with a view to some expansion in the present program.

Bob Lema at 459-3080.

This gala anniversary social has proven in the past to be an excellent opportunity to have an enjoyable evening while meeting all your friends and getting acquainted with visiting dignitaries from other constituencies as well as the provincial cabinet.

Be sure to phone early, there are a few tickets left. And remember, everybody is welcome.

ed. Lukay said he supported the report in its attention to identifying city problems and said council needed to list and face its problems.

Coun. Fyfe was critical of the basic philosophy of the report, which she said was very patronizing to the present provincial government. They have not gathered the support, facts or done the studies that are relevant to the report, she said. "There are not enough sociological studies," she noted also that environmental protection is extremely important, but the city can play only a partial role under the province. She did not think the city should have based any of the report on the McNally Committee which came out nearly 20 years ago and felt that the Hanson report can be proved erroneous. "We should

seriously put down our facts and alternatives for the provincial government," she said.

"We have to fight this pink propaganda report," said Coun. Thronson. "Edmonton must work with surrounding municipalities and unitary government is not working in other places."

Mayor Ray Gibson stated that "the Pink Panther" report is not a report but a position paper - giving only Edmonton's side. (The report has a pink cover). He said the report shows no costs of the proposal and shows no benefits enjoyed by the city from the surrounding areas. The arena can't get water from the city, yet the MD arena has nearly complete city programming he said.

The cost factor bothered

the mayor who felt the city had put out the position paper without too much thought. He wants to know the costs of getting water and transportation to the Hanson boundary line, and also how the traffic count was done for the report, when and by whom. He labelled as "ridiculous" the "grandiose" scheme for maintaining agricultural areas in perpetuity. "When they talk of an area in a 15-mile radius around the Hanson line, they are talking about freezing land at an agriculture cost," he said - ignoring the rights of the farm owners.

Coun. Hudson wondered why this matter was on the agenda and it developed that the mayor wanted a letter from the town to go to the government, without waiting for machinery of the combined municipalities approach to be set in motion. The municipalities are talking about a regional study.

not merely refuting the pink report, he noted. He felt St. Albert should get its own facts on the provincial minister and some specific details answered.

Coun. Fyfe disagreed on the specifics and wanted a more positive approach, stating "we do not agree because . . ." Coun. de Bruijn felt council should not lower itself to discussing specific comments in the "position paper." We should point out that this is only one idea and there is an excellent opportunity now for the province to demonstrate initiative. Perhaps new technology means that we can learn much more using models and com-

puters he said. A major regional study should be done and it is too expensive for the municipalities, even acting collectively. The problems are not limited to this area, this country or this continent he said, and federal grants should support such a major study. The resulting report, he said, could serve a great many areas of Canada.

Coun. Bakker noted further that the city has never been refused an annexation request and has in fact enjoyed good co-operation from M.D. Sturgeon and Strathcona County. "A factor which is ignored in their report!" Councillor Lukay still felt that St. Albert ver-

sus Edmonton was the pot calling the kettle black.

Coun. de Bruijn observed that St. Albert has a surplus of one million dollars, something the city has failed to generate in years!

A motion by Coun. Bakker that council inform Mr. Dave Russell, minister of municipal affairs, that it does not agree with the "Future of This City" report and that it feels there has to be a study done on alternatives carried 7-0. The submission will also advise the minister that a further one will be presented later probably on a joint basis with other municipalities.

Council Wants Trees Saved In Braeside Subdivision

Council considered a request for subdivision approval, by Carma Developers in the Braeside area, at Monday night's meeting and considerable discussion ensued on preserving the trees, particularly a long stand from Sturgeon Road north. Coun. Bakker asked if the portion north of Sturgeon Road could be plotted to show how the trees relate to the subdivision regarding lots, and was informed by planner Wayne Gordon that layouts had been done, but he didn't have them with him. The planner noted that some of the trees were on the access road. Coun. de Bruijn was most concerned with the stand of trees north of Sturgeon Road which had been planted, and wanted every effort made to preserve these. "It looks to me as if there are three roads through a stand of trees, and that is not good planning," he said. I agree with Coun. Bakker that we should see a lot plan before approving the development.

In reply to a question from Coun. Thronson, Engineer Jan Maandag said the sewer line would not go through the ravine and the sanitary sewer trunk line was already in existence and crosses the ravine where the heat duct is, not the ravine near Churchill, so the trees would be o.k. Coun. Lukay asked what the present cleared area measures and Mr. Gordon said approximately 30 feet back is cleared of any trees and that some lines will be removed and a power line. There is 40 feet of bush area between the cleared section and any lots, he commented.

Mayor Gibson asked why some lots are only 100 ft. and the planner replied that they back on to a ravine. "Is the east side all ravine?" asked the mayor and the planner replied that it is adjacent to a buffer "and we do allow 100 ft. lots." The mayor asked the engineer how soon the line would be out back of Bellevue and was told Calgary Power had been requested to do so soon. The planner asked that any approval be subject to easement agreements, as the developers had been notified several times but the agreements were still not completed. Coun. Bakker's recommendation that the area

north of Sturgeon Road be shown as to preserving the trees and that the area to the south be rezoned for subdivision. Both carried 6-0. (Coun. Hudson joined the meeting about 9 o'clock).

A memo from BACM regarding McKenny Avenue, was also considered. The memo stated that with continuing delays in the provision of right of ways for McKenny, it appears unlikely that useful road access to Lacombe Park via McKenny can be achieved in this construction season, so access to that area and Mission Park will continue via St. Vital and Mission avenues. BACM has substantially completed road construction on these access routes, but the section of Mission Ave. westerly from St. Vital remains unconstructed as it falls within the adjoining subdivision area, said the letter.

Coun. Thronson asked if the plan was registered and was told by Secretary Bowen that Mr. George Walker had given assurances that all was in order. Mr. Maandag had not had an opportunity

to see the BACM people. "We had better stop the Lacombe Park development until these things are set straight," said Coun. Thronson. "Vital Avenue is awful."

Coun. Lukay didn't accept BACM saying now that there is no time. "They could have it built in a few days with all that equipment across the road, I agree with Mr. Thronson," he said - "other developers had to do roads first before other construction."

That's not quite correct said Mayor Gibson - you missed it he felt part of the BACM memo. Coun. Bakker's suggestion to refer this matter to staff is valid. I assume Mr. Maandag is aware of the tremendous interest in this road, said Coun. Bakker. "Interest in this road is not a new found thing," said Coun. de Bruijn, drawing laughter. (Mr. de Bruijn has consistently sought action on McKenny Avenue since the hospital was completed.)

Motion to refer to staff carried unanimously.

Tourist Bureau Proves Popular For Travellers

During the six weeks St. Albert's Travel Bureau has been in operation, over 900 travellers have signed the guest book, obtained holiday information plus maps and brochures on tourist attraction areas in this part of Alberta.

Opened July 1st, the travel bureau, located on St. Albert Trail at the Purple Dude, has handled an average of 150 calls per week. Laurie Burgess of 65 Broadview Cres., is one of the three staff members presently manning the bureau. She takes the first four-hour shift of the day, from 9 a.m. to 1 p.m. Miss Burgess is then relieved from her post by either Mrs. H. Kochan of 10 Grandora Cres., or Angela Kochan who share the

remaining two four-hour shifts of the day.

The Travel Bureau is enjoying a very active first season of operation. It came into being through the co-operation and initiative of the Midnight Twilight Tourist Association, the Provincial Department of Tourism (Travel Alberta) and the St. Albert Evangelical Lutheran Church congregation which has contracted to manage the bureau.

During an interview late in the week with Miss Burgess it was learned that tourists driving through this area and stopping at the Travel Bureau for information come from many Continental Europe countries, the British Isles, many states of America, all provinces

of Canada including the Northwest Territories. Miss Burgess said that the majority of travellers ask for directions to summer resorts in this area, want to know about favorite local fishing lakes, enquire in regard to camping facilities, historic sites and the such. "Almost every traveller going through here," Miss Burgess said, "wants maps and materials on tourism, not only for information, but to take home as souvenirs." This is especially true, she said, of foreign tourists who want a memento to bring home and add to their souvenir collection.

In a short conversation with Mr. and Mrs. H. Kochan, it was learned that tourists frequently ask for souvenirs to buy and it was in view of these frequent requests that Mr. Kochan suggested an exclusive St. Albert souvenir be designed as a promotional handout.

"This town would indeed get a lot of good publicity," Mr. Kochan suggested, "if we had a typical St. Albert souvenir to give or sell our tourists."

Pastor Olson of the Evangelical Lutheran Church, co-ordinator of staff of the Travel Bureau, told The Gazette in his opinion, the bureau and its staff has done a great service to this community and hopes next year will even be better. Mr. Olson expressed the hope that his congregation would again be involved next year and would welcome an opportunity of making suggestions towards improving the Travel Bureau of the future.

"I would like to see our Travel Bureau designed in such a way," said Pastor Olson, "whereby we could spread open a map or brochure for our tourists and explain things in the comfort of a little reception room rather than just a counter out in the open." Mr. Olson also suggested that many travellers would enjoy a free cup of coffee, "and I think that could be done without going into too great an expense," he concluded.

Local representatives of the Midnight Twilight Tourist Association, Harry Hutchings and Gerry Belkdis-

Postmaster Al Mitchell Promoted To Gr. Prairie

One of St. Albert's ardent curriers and popular personality in and around this area will be moving to his new base of operation in Grande Prairie this week. Al Mitchell, St. Albert's genial postmaster since February of 1967 has been appointed zone postmaster for Grande Prairie. The promotion for Mr. Mitchell also includes the responsibility of 27 other post offices in the Grande Prairie area. In January of this year Mr. Mitchell served as assistant area manager for northern Alberta, a position he held until the end of April before his recent appointment.

Mr. and Mrs. Mitchell are in the process of disposing of their residence at 18 Sunset Blvd., prior to moving into their new home they purchased in Grande Prairie. Al and Wilma will be leaving St. Albert Thursday. Their two sons at home Terry and Don who are 19 and 20 years of age respectively have decided to remain in St. Albert where both are employed. Don as a letter carrier while Terry works for a service station. A third son, 23-year-old Gordon is now a corporal in the Armed Services and stationed in Gagetown, New Brunswick.

Replacing Al Mitchell at the local post office, on an interim basis is Gordon Patterson, former supervisor of letter carriers and more recently working as acting postmaster. Many friends in St. Albert will miss the Mitchells, not only at the post office but also at the curl rink where Al was director of the St. Albert Club while Wilma taught elementary grades at the St. Albert Separate for five years.

LETTER to the Editor

Wants support for rec areas

The Editor:

I would request both your readers and your support to help preserve some of the recreational area in St. Albert.

Many St. Albert residents live here rather than in the city for the advantages of a country environment but are becoming disenchanted with the lack of recreational area and furthermore the apparent lack of any substantial

provision for such in the future.

One example of much needed recreational and parkland space being proposed for development is the area in Braeside between the Sturgeon Rd. and the river bordered by the kennels on the north side. This is being suggested for zoning of 42 lots and sure they are allowing a park reserve allotment but this is primarily the swamp grass between the high and low waterline of the Sturgeon River - presumably not suitable for development and hardly suitable for a recreation area.

We rely primarily on Lions Park for picnic area right now - why can't the Town develop such a facility in this area instead of yet another housing development? Hopefully if this was done there wouldn't be one of the Town signs "active games prohibited in this park" and there would be some space for the active games.

I would suggest that one way in which we the residents of St. Albert can make our council provide such areas is to oppose Bylaw 28/73 covering the rezoning of the area mentioned above, and this can be done by attending the Public Meeting on September 4th at the Grenfell Avenue Clubhouse at 7:55 p.m. or submitting a written objection prior to August 29.

Vagues enjoy extended trip

Harold and Lillian Vague arrived home last week. After leaving St. Albert on June 5, they "trallored" a leisurely trip which took them to Waskasu Park, Sask., to Moosomin Park where they were joined by Mrs. Vague's brother and wife,

Mr. and Mrs. Stan Lindberg, from North Burnaby B.C. They travelled together as far as Kakabeka Falls Ont. The Vagues went on to visit a cousin in London, Ont., Mr. and Mrs. Alf Sandboe. From there they took Highway 2 east to Port Aux

Basque and St. John's Newfoundland. While there they visited Pouch Cove, Harold's mother's birthplace. There were many Hudsons but do not know how many were relatives.

The return trip was a rough one on the ferry but they managed not to get seasick as many others did. From there they went by ferry from Cape Tormentine to Prince Edward Island to Cavendish Bay and returned to New Brunswick at Shediac to join Highway 2 again. From there they visited cousins at Stouffville, Ont., then followed the Trans-Canada into southern Alberta, south on highway 48 to Cypress Hills Provincial Park, then Highway 21

north to Edmonton to St. Albert.

Every day but two were sunny. Ideal travelling and camping weather. They were glad to miss the ferry humps and the 90 - 100 degree weather areas. They have now covered most of the campgrounds from Vancouver Island to Nfld to P.E.I. along the Trans Canada Highway and enjoyed every mile.

"Thirty-five hamburgers please," ordered the teenager.

"How many?" asked the startled man at the counter.

"Thirty-five," replied the teen-ager. "But don't worry - I'm not going to eat them all myself. I have four friends outside."

Library Storyhour

The Wednesday morning Storyhour held during the summer at the St. Albert Public Library ended today, (Wednesday, August 22) but plans are already being made for the Fall session to begin in October.

The summer sessions draw about 25 local pre-schoolers a week for an hour of stories, games, songs and puppets. After each session the youngsters were encouraged to find

books to take home for the week.

The library's popular storyhour will begin again the first week in October for 10 weeks. There will be two sessions each week, on Mondays at 10 a.m., to accommodate the growing numbers and those attending playschool half days. There will be a further announcement of the times at a later date.

Above is a north-western view of the Highfield Shopping structure Phase 1 which is scheduled for opening early in October. Lessees of this building will be facing a giant parking area highlighted by trees, shrubs and turf. The next stage of development will be a service station then in about two years an extensive covered shopping mall.

Highfield Shopping Complex To Complete Phase 1 Oct. 1st

Highfield Builders Edmonton Ltd., presently building Phase 1 of the Lacombe Park Shopping complex, expect the 8,500 square foot structure now nearing completion to be ready for occupancy October 1.

Mr. F. J. Cadham of Highfield said this week his firm was very pleased with the progress Phase 1 was making towards completion and revealed that the structure at the corner of McKenny and Mount Clare Place is almost entirely leased.

Mr. Cadham said of the 8,500 square ft. shopping centre now nearing completion, three leases have been signed by a convenient store a dry cleaning firm and the third by a banking firm. Out of this Phase 1 complex, only 2,000 square ft. remain open for lease.

The next phase will be the construction of a service station immediately West of

the present structure. This service station project will occupy 2,500 square ft. of the shopping centre and is expected to be started early next spring, once McKenny Avenue has been extended to the St. Albert Trail.

Phase 3 of the total 40,000 square ft. shopping centre will be a 30,000 square ft. enclosed shopping mall expected to be in operation in about two years. Mr. Cadham explained this final stage will be constructed as the Lacombe Park area is developed and that is why his firm anticipates an opening date two years hence.

The Highfield developer said the entire shopping centre, once totally completed will have the capacity to serve a population of approximately 35,000 people. He also said his firm is accepting leases only from firms able to operate as convenient outlets on a neighborhood basis.

"We are also very conscious of landscaping our developments," Mr. Cad-

ham said, "guess that's why Highfield was awarded the Landscape Award last year for our building we erected on the corner of 118th Ave. and 149 St."

Mr. Cadham revealed that his firm employs a full-time landscape architect who makes generous use of trees, shrubs and turf. It is for this reason Highfield Builders Edmonton Ltd. has established a 572-acre tree and shrub farm located between 127 and 142 streets, immediately south and east of St. Albert.

"From this green farm," Mr. Cadham said, "we will obtain our stock of greenery for our various projects, including those in St. Albert." He concluded by saying that Highfield plan their developments with an eye to making the entire complex pleasant to look at, an asset in any neighborhood and warm in appearance for the staff employed in the complex as well as the citizens doing business in the shopping centre.

Home from overseas

Marguerite Atkins, Doris Sumner and Phyllis Kihlitz arrived home Thursday night from a six week holiday in Europe, and Marguerite reports a wonderful trip. From their hotel base in London they took a two week guided bus tour of central Europe when some interesting highlights included the Berlin wall and a visit in East Germany where, despite restrictions two would-be-escapees had recently been shot) they found the people more prosperous and happier than in Czechoslovakia. There they were subjected to a long and thorough search of belongings and found the people very poor and depressed. They enjoyed Hungary and Austria, where they heard an outdoor straus concert. Another tour took them to Scotland, the Lake Country of Wales, At Blair Castle they found souvenir place mats in the Blair plaid to bring back for Alan Blair. At a banquet in a Wales castle they were served in the ancient style with tra-

ditional foods and meat. Anne Martindale, a cousin of Tom Atkinson, was in the Lake Country and drove them to many beautiful and historic sites. They stayed at the home of Mr. Atkinson's brother Tony.

The St. Albert Library Board has approved quite an original logo during the summer holidays and the eye-appealing little caricature will surely go a long way towards promoting the library and its many endeavors. The logo, selected by a special committee shows a bright little happy face avidly reading a book. The design is simple yet very distinctive and will surely attract a lot of attention wherever it's used.

Mr. and Mrs. Don Mills are now back home after journeying right across Canada, touching onto both the Atlantic and Pacific oceans during the summer months. St. Albert's genial librarian and his good wife first headed to the Eastern

Coast June 15-23 where Don attended the annual convention of librarians in Sackville, N.B. After the convention business had been dealt with, the Mills spent a week visiting the Maritimes. On their return journey via Air Canada, they stopped-over in Winnipeg and spent a weekend with Don's parents, Mr. and Mrs. E. Mills. In mid-July the Mills headed to the West Coast on an impromptu holiday trip and visited with Mrs. Mills' parents, Mr. and Mrs. W. Richards, also with relatives and friends. They motored back home accompanied by Maggie Richards who spent a week in St. Albert. The Gazette will refrain from going into all the details of the air trip the Mills 'endured' on their

eastern journey, however, let it suffice to say that they had some problems with their luggage, they encountered a few flight delays and apparently logged quite a few miles before they were able to expedite an antique table.

Danny Despins of Garnet Drive was a mighty excited boy Monday night when he won the bingo jackpot of \$160 at the parish hall. The jackpot had been building up for weeks from the \$100 base and it was a tense time for Danny as he watched his card fill in. Proceeds of the bingo support Camp Lacombe.

Had the patrons known of the move in advance there would undoubtedly have been a large crowd out in front of the Bruin Inn parking lot to applaud the workers who put some gravel on last weekend. Some improvement has been effected - as one fellow put it "Now you can get through without a tow truck."

Gazette photographers

'par excellence' (if you don't mind the title) encountered a major accident this week with the main roll of film on which were 20 news shots. Somehow, gremlins found their way into the dark room and completely ruined the film. As everybody knows, news shots happen only when they happen and therefore cannot be taken over again. Such is the lot of a news photographer . . . and that is why The Gazette this week will not publish pictures of the para-drop; air-spray operations in the district, spot shots along with other newsworthy pictures never to be seen. Sorry about that!

Library Changes Hours To New Winter Schedule

With school opening, the St. Albert Public Library's Summer Schedule of hours of service comes to an end. Saturday, August 25 will be the last day of summer hours. Effective Monday, August 27, the library's hours of service will be:

Monday thru Friday - 10 a.m. to 9 p.m., Saturday - 10 a.m. to 5 p.m., Sunday - Closed.

This is the fall-winter schedule and will be in effect from Monday, August 27.

This reflects another increase in hours of opening. Last year the library rolled back its hours of opening from 1 p.m. to 12 noon. This year, in anticipation of greater use, the library will open at 10 a.m. Monday to Friday. Saturday's hours remain the same: 10 a.m. to 5 p.m. giving a total service week of 62 hours. This is one of the highest hours of service in the province.

Sailfish top Region for 5th straight year

The St. Albert Sailfish Swim Club reaffirmed its position as the leading swim club in the North Central Region when the Regional Championships were held over the weekend of August 18 and 19.

Every swimmer on the team swam to the best of his or her ability and credit must be given to the coaches

who brought the competitors to peak condition at the right time. After the long distance events, which were held in the St. Albert pool, the Leduc Club enjoyed a slight lead in points over St. Albert but once the sprint events started the Sailfish took an early lead and extended this throughout the meet. At the conclusion St. Albert had

scored 1785 points whilst Edson were second with 951 points and Leduc third, 788 points. Other points were Drayton Valley 632, Hinton 662, Westlock 566, Lloydminster 561, Jasper Place 458, Devon 439, Fort Saskatchewan 338, Vegreville 271 and Redwater 109.

The winner of the outstanding female swimmer trophy was Marilyn Emerson of Lloydminster and the boys trophy went to Neil Jamieson of Westlock who was tied with Cameron White of St. Albert but won because he broke more records.

Mayor Gibbon was on hand to witness the events and present the Town of St. Albert trophy to the Sailfish Swim Club for the fifth year in a row, surely a record which will be hard to beat.

Swimmers are now in training for the provincial finals to be held in the University Pool on Saturday August 25 and this year swimmers will represent their region rather than their individual clubs.

It is pleasing to observe that St. Albert swimmers will represent the North Central Region in 32 positions, and St. Albert relay teams occupy 16 places out of 20 events.

While every member of the team deserves praise there were several outstanding swimmers who merit special mention - Susan Otto, Denise Saville and Cameron White all beat existing provincial records and our relay teams also set new marks in four events

Conquering heroes return to Riviere Qui Barre

In a field of 36 boys, Glenn Fisher and Dale Schafers, 13 year old residents of Riviere Qui Barre, were successful in qualifying for the championship class of eight, at the World's Horse-shoe Tournament at Eureka, California.

Dale tied for second place but, due to a lower ringer percentage, he went down to third place. His high game was 84 per cent, and his overall average for seven games was 75.5 per cent.

Glenn, in fifth place, threw an average of 62.7 per cent for his seven games.

The boys wish to extend their sincere thanks to the Riviere Qui Barre Recreation Society and the Edmonton Horseshoe Club for their generous assistance toward the trip.

These two Societies in turn offer congratulations to the boys, who were the only Canadians competing in the junior class.

Elmer Hohl of Wellesley, Ont., World Champion for the last two successive years expressed pride in his junior Canadian counterparts.

The boys feel that they gained valuable experience in their favorite sport, and are hoping for a repeat performance next season.

The entire community watched with interest and pride as these young gentlemen practised, and worked their way to this degree, of skill, and wish them well in future ventures.

Glenn Fisher, left and Dale Schafers with World Championship trophies from Ontario. The boys both qualified for the championship class at the World Horse-shoe tournament at Eureka, California and won beautiful redwood trophies with engraved plaques.

Premier Congratulates Alberta Golf Champions

While the 10 Canadian premiers are in session at Province House, Charlottetown, N.B., Canada's top lady amateur golfers are at the Belvedere Golf and Winter Club course playing in the annual Canadian Ladies Amateur Golf Championships and Inter-Provincial Team Matches.

Alberta and Ontario were in a 'cup-n-tuck' battle for the team championships last Friday when the Alberta foursome finally emerged victorious over Ontario. The Alberta champs are: Cathy

MacMillan, Barbara Horne, Betty Cole and Arlene McIntosh.

Being advised of the Alberta victory, Premier Peter Lougheed made a special trip out to the Belvedere Course to personally congratulate the Albertaladies. It is believed to be the first time that a provincial premier was on hand in the same locale to congratulate his province's winning team.

It is the first time Alberta has won the Canadian Ladies Inter-provincial Team Matches.

Playboys win trophy in fastball league

Stony Plain Playboys, coached by veteran Gerald McGinn, clobbered Spruce Grove Panthers in two straight games to win the 11 team Sturgeon Men's Fastball League. League president Dick Bird, a member of last year's champs, Michaels Catering, presented the trophy to the Playboys.

Playboys, third place finishers in league play, had no trouble in either game with the Panthers. Homeruns played a big part in both games.

In the league opener in Spruce Grove, Playboys lead-off batter was safe at first on an infield error by Earl Nelson. Panthers then managed to get the next two

batters out but Dennis Zutz's homerun gave the Playboys two runs.

This proved to be all-winning pitcher Gerald McGinn needed as he allowed only a single run in the first inning. McGinn completely handcuffed the Panthers allowing only three hits while his own team were getting eight off losing pitcher Arvin Singer.

In the second game another first inning homerun proved to be all the Playboys needed. Winning pitcher Jim Miller drilled a three-run shot over the fence in Stony's four run first inning. George McNeen was the losing pitcher.

Stony Plain Kings and Spruce Grove Eagles are now playing off for B section.

Michaels Catering takes Calahoo tourney

Michaels Catering from St. Albert shut-out Spruce Grove Panthers 4 - 0 in the final game to win A section of the annual Calahoo Fastball tournament.

The tournament was held under good and bad weather conditions. Saturday's temperatures were more suited for ice fishing at Devils Lake whereas Sunday brought ex-

cellent ball weather.

Michaels had no trouble with the Panthers as winning pitcher Dick Bird spaced out the three or four hits he gave up.

Michaels had earlier wins over O.K. Construction and Truero of Edmonton before getting the bye into the finals.

Panthers took out St. Albert Inn, Stony Plain Playboys and Calahoo Chiefs on their way to the final game.

In B section, Whitecourt scored a close 4 - 3 win over Stony Plain Kings in the final game.

In the four team ladies tournament, Spruce Grove Plink Panthers defeated Calahoo in the final game.

Once again the Calahoo Sports Association put on one of the best tournaments and barbecues you will find anywhere in the country.

The ladies served a first class beef barbecue with all the trimmings that had many coming back for seconds. Just after noon on Sunday four local sky divers dropped in and all landed in the infield with perfectly executed jumps.

The association wishes to thank all who attended and already are making plans for next year.

Tennis finals feature close play

The St. Albert A team is currently tied in the final playoff for the City A League championship and the Canada Safeway Trophy. Monday night the team (Clark Warren, Roman Mureika, Cynthia Sage and Judy Wood) tied the A team from Garneau 4-4. The team will play the other half of the match at Garneau this week.

In the A teams final league match, played Tuesday August 14 the team of Dave Kirk, Roman Mureika, Cynthia Sage and Shannon Foran defeated Garneau 5 - 3 thus making the A League standings very close at the end of the schedule. Garneau led with 33, St. Albert was second at 32 and Glenora was third with 31.

In the B League semi final the St. Albert (1) team unfortunately had to default part way through the second match against the Derrick club since one of the players was unable to continue playing.

Club members are reminded that the club championship tournament is on this weekend, August 25 and 26 and the entry deadline is Wednesday, August 22 - please phone Roman Mureika or Bob Green.

The Clubs final party will be held the evening of Sept. 14 - please call Cynthia Sage for further information

Cubs defeated in weekend tournament

St. Albert Cubs were bounced from an eight-team bantam baseball tournament in Edmonton 7-1 by Ottewell Sunday afternoon, after winning their opening game 14-9 over Barrhead Saturday.

Cubs were in trouble early against Ottewell as the heavy hitting city team scored two runs in the first inning on a triple and a home run. Ottewell made it 6-0 in the third, capitalizing on a Cubs error, and added their final run in the fourth.

Cubs got their lone run in the sixth.

Terry Leddy went all the way on the mound, giving up seven hits and walking four. He struck out seven and seemed to get stronger as the game wore on, holding Ottewell off the score sheet the last three innings.

He got little support from Cubs' hitters in this one, collecting two of their five hits himself. Seventeen Cubs went down on strikes in the game.

John Zinyk, a pickup from the city as Joe Tworek was on holidays and Dave Shipan-

off dislocated his thumb, pitched for Cubs Saturday and survived a five-error performance by his mates for the win.

Doug Belley, with two triples, Paul McCann, with a double and single, and Terry Leddy, with two singles, paced Cubs' eight-hit attack.

The tournament was won by Edmonton Newton, the western Canada champions, who defeated Ottewell in the final.

Following are the batting and pitching statistics for the Cubs as St. Albert's representative team. Terry Leddy, Trevis Parayko, Dave Shipanoff, Dean and Dale Roy, Guy Randall, Roy Galloway and Mike Mitchell were regular Cub members. Joe and Mark Tworek were added from the Cardinals of the local house league and Steve Olsen and Paul McCann from the Orioles.

Local novice team reaches Lacrosse finals

The Lacrosse season is now coming to a close with only a few games remaining for those teams involved in playoffs. Coaches Ed Jones, Bob Taschereau, Ted Edmondson and Brian Harper have done a remarkable job in the club's first year. About 200 boys were involved in the novice, peewee, bantam and intermediate divisions.

The novices (8-10 yrs. old) coached by Ed Jones have shown tremendous improvement since the beginning of the season. After losing most of their early games they came on strong

to finish in third place, one point behind the second place team. They went on to win their semi-final against the North Glenora Blues in a two game total points series which turned out to be a very exciting series for both fans and players. With little time to catch their breath they are now involved in a best of three games series against Sherwood Park for the Alberta Northern Championship. Regardless of how they finish in this series they can be proud of the way they have played and conducted themselves against more experienced teams.

The success of all the teams was due in part to the clinics held earlier this year. As the Association expects a large increase of players, particularly in the novice and peewee divisions next year, clinics will be held again. They will be divided into two sections, one for beginners and one for advanced players. Further details will be announced later.

To all of the individuals and organizations who gave of their time, sponsored teams, and gave financial support - the St. Albert Lacrosse Association extends sincere thanks.

Saints lose playoff

St. Albert Saints were defeated in two straight games by the Leduc Oilers in the Sunburst Baseball League finals last week.

In both games the Saints probably could have won if all their players had showed up. For some reason or other the players lost interest and as a result barely enough showed up to field a team.

Telephones Minister Meets With Sturgeon Delegation

There are eight telephone exchanges partly or entirely within the Municipal District of Sturgeon and this state of affairs has long been an irritating and costly area of concern.

In recent months the MD of Sturgeon has processed petitions from telephone subscribers living within the

municipality and these clearly indicate that a change in telephone service is urgently required, direct dialing become a fact and new policies instituted. Almost all petitioners indicate that an increase in telephone rates for the added services would not be resisted.

Last Thursday, St. Albert

MLA, Ernie Jamison initiated a meeting of representatives of the concerned areas with the minister of telephones and utilities Hon. Roy Farran. Included in the delegation from the MD of Sturgeon were Reeve Walter Van de Walle and municipal councillor Glenn Berry. Representing the Bon Accord Telephone Mutual was Earl Mulligan. Also present at the meeting were Gordon Ades, director of operations AGT and Barrie Speelman, provincial liaison executive assistant.

MLA Jamison, after introducing the delegates to the minister of telephones and the Alberta Government Telephones operations director, explained details of the telephone exchange dilemma in the St. Albert-Sturgeon MD area.

"We have eight different telephone exchanges in our area," Mr. Jamison said, "and these force our residents to pay excessive long-distance telephone bills also reduce the efficiency of this utility, especially during peak call periods."

Speaking on behalf of the MD of Sturgeon, Reeve Walter Van de Walle concurred with Mr. Jamison that the present telephone exchange situation was not at all practical and urged that some changes be effected soon.

"We often have to call long-distance," Mr. Van de Walle said, "when initiating a call that might be to a neighbor living only a few miles away, but in another telephone exchange."

The minister of telephones and utilities as well as the AGT director of operations were made aware of the region's eight exchanges, namely: Morinville 256; Namao-Gibbons 799; Bon Accord 298; Fort Saskatchewan-Lamoureux 543; Quayway 932; St. Albert 459; Legal 598 and Westlock 342.

"Those are the areas with which we communicate," Mr. Van de Walle explained "and these are also the same centres which more frequently communicate with Edmonton. Therefore to ensure good communications between urban and rural centres it was pointed out that the telephone system needed streamlining."

At this point Mr. Farran admitted that the MD of Sturgeon area was one of concern to his department and agreed it would be dealt with along with the rest of Alberta. Mr. Farran could not predict when changes in the telephone service in Alberta would occur, however the cabinet minister said that changes towards streamlining the entire telephone network would be implemented soon as preliminary work has been completed.

Gordon Ades of AGT, in supplying the technical data, on proposed telephone service upgrading, told the delegates that changes will be coming forth in stages. The first stage will be a survey taken from all existing

HON. ROY FARRAN

ing Alberta telephone subscribers. The ballot will ask telephone subscribers to indicate the community of their choice within a 30-mile radius where they conduct their business or call more frequently.

"Once we have this information," Mr. Ades said, "We'll be able to determine the extended flat rate calling charge in a province-wide grid."

The next step, Mr. Ades explained will be compiling all the required engineering and technical data to put the system to work. Once this information has been analyzed, a rate structure

Antelope Hunting Season

A slight increase in the overall antelope population to 10,460 has been determined by the Alberta Fish and Wildlife Division, Department of Lands and Forests.

As a result, the antelope hunting season will be one week in duration, October 22 - 27. Some 1,075 permits similar to last year, will be

issued this year for bucks only. Two hundred permits will be drawn in Zone A, 275 in Zone B, and 300 permits in Zones C and F.

All hunter applications for the draw must be postmarked no later than August 25. Application forms can be obtained from district fish and wildlife office.

acted upon in terms of 51 per cent of ballots returned.

Hon. Roy Farran did not want to hazard a guess as to what the rates might be or when the newly revived 30-mile extended flat rate calling concept will be put into motion.

will be drafted and submitted to the Public Utilities Board for approval. After this stage has been overcome, Mrs. Ades explained, the rate structure will be subject to a vote by all telephone subscribers. Results of this vote . . . as well as the initial survey . . . will be counted and

NOTICE OF PUBLIC HEARING

The Council of the Town of St. Albert, having been given authority under Section 119 of the Planning Act 1970 R.S.A. as amended, to control development within the boundaries of the Town of St. Albert by zoning, will hold a public hearing.

The purpose of the hearing is to rezone the westerly half of Lot 3, Block 3, Plan 2204 H.W. from Residential Comprehensive (RX) to Hotel Parking (Chp).

The proposed Bylaw No. 27/73 may be examined between the hours of 9:00 a.m. to 4:30 p.m. at the office of the Secretary-Treasurer, Town Hall, St. Albert.

The public hearing will be held in the Clubhouse on the 4th day of September 1973 at 7:35 p.m.

Written objections to the proposed bylaw will be received by the Secretary-Treasurer at his office until 4:30 p.m. on the 29th day of August 1973. Objections shall be submitted in writing prior to the meeting, those which have been received before the designated time will be discussed at the meeting before further oral presentations will be recognized.

R. B. BOWEN, Secretary-Treasurer.

Community College Holds Learning Disability Course

A special two week course for teachers of children with learning disabilities began Monday at Grant MacEwan Community College.

More than 40 teachers, counsellors and parents from throughout Alberta and the Northwest Territories are enrolled in the course which is being offered in response to requests from a number of school districts. No teachers from either St. Albert school system has enrolled for this course, presumably because of the

Child Development Centre being established in Edmonton and available for referrals from St. Albert.

Children with learning disabilities are of normal and above normal intelligence. They are not deaf or blind and do not suffer from a primary emotional disturbance. The difficulty these children have learning may be due to a number of different causes.

They may suffer from dyslexia or dysgraphia. Dyslexia is an inability to read.

Children with dyslexia can see well, but have difficulty forming printed words into meaningful ideas. Children with dysgraphia can't write. They are able to see and read well, but cannot write. Their writing may be backwards or the mirror-image of correct writing. They are aware that they are writing incorrectly, but are not able to correct the fault.

Children with learning disabilities may develop emotional problems as a result of their inability to learn.

These and other learning disabilities can be diagnosed as early as three years of age. Proper remedial work will allow children with these problems to attend normal schools.

The course at Grant MacEwan Community College is divided into two sections. One deals with identifying and treating learning disabilities and the other fo-

cuses on handling behavior problems which may result from these disabilities.

The course is being conducted by Dr. Jane Sylvius and Mr. Dennis Brammer, of the Child Development Centre, through the Continuing Education Division of Grant MacEwan Community College.

"The single most important factor in helping these children is the teacher's ability to relate to the child in a supporting and guiding way," says Dr. Sylvius.

"We hope to show the teachers how to find out what the child can do and what he can't do, and then we use what he can do to teach him what he can't do."

The course will help teachers identify and assess learning problems and acquaint them with methods of treatment and resources which are available to assist children with learning disabilities. Dr. Sylvius says six to seven per cent of all children have "moderate to severe" learning disabilities of some kind.

Morinville ALCB Store May Open By Year-End

Hon. Dr. Winston Backus, minister of public works conferred with St. Albert MLA Ernie Jamison this week and confirmed the working drawings of the Morinville liquor store are proceeding as per schedule and expects tenders will be advertised early in September.

Mr. Backus said if tenders are returned on the calling date and a successful bidder can be selected, he expects the 94 ft. x 35 ft. single-storey structure will be completed and in operation before the end of the year.

"A lot depends on the weatherman," Mr. Backus

warned, "but if we're lucky, construction on the ALCB outlet in Morinville could start in mid-October and the staff-operated facility completed before the end of the year."

Land was purchased by the provincial government from the Town of Morinville early this Spring, a site located near the Calgary Power Ltd. sub-office.

A little girl was showing some of her friends through her home. "This is my room," she said, "And this is my brother's room. And this," she said, opening the bathroom door and pointing to the scales, "is where my mother measures her feet."

RECREATION HIGHLIGHTS

JOINT USE AGREEMENT

Forms are now available at the office of the Recreation Department and officials of organizations wishing to apply for accommodation at any time during the 1973-74 season can pick them up, complete them and return them to the office. They will be dealt with when accommodation is being allocated and as far as the schools are concerned, this will be done as soon as the school requirements are made known.

The facilities are made available under the terms of the Joint Use Agreement between the Town and the two School Districts.

SWIMMING:

The present schedule is in operation until August 26 after which the schools will be using the pool during school hours. Adjustments will therefore have to be made.

From Monday, August 27 till Friday, August 31, public swimming sessions will be held from 7 - 8:30 p.m. 4 - 6 p.m. and from 7 - 9 p.m. Family sessions will be held each evening from 6 - 7 p.m. with teen swimming from 9 - 10 p.m. on Monday, Wednesday and Friday and adult swimming on Tuesday and Friday from 9 - 10 p.m. The schedule on Saturday and Sunday, Sept. 1 and 2 remains the same as at weekends during July and August.

Please look for future changes in the Gazette and on notices posted at the pool. The schedule from Sept. 3 depends on the availability of staff, the weather as well as attendance. If these three factors are favorable, the pool will be open for public swimming as often as possible for as long as possible after the Labor Day weekend.

PLAYGROUNDS:

The town-sponsored supervised playgrounds at Mission Park, Grandin Park, Braeside and Salisbury Park will close on Friday, Aug. 24 and on that day there will be a Wind-up Penny Carnival and Sports Day held in Lions

Park. Children will meet at their regular playground at 1 p.m. and then proceed to the park.

The pennies collected at the small local penny carnivals as well as the big one coming up on Friday will all be going to a good cause - the children's ward of the Sturgeon General Hospital. The generosity of three firms, Pacific 66, Safeways and Macleod's are helping to make this possible and these firms are to be commended for their generosity.

TENNIS:

Because of the annual invitational tournament, the tennis courts at Mission Park will not be available to the public on Saturday and Sunday, August 24 and 25. The three courts now in operation beside Vital Grandin School will, of course, be open.

FALL ACTIVITIES:

Announcements about registrations for fall and winter activities will be announced shortly - watch for them!

Around Town

The St. Albert Library Board accepted with regret four staff resignations recently prior to commencement of a new university term. Donna Crossley, Karen Tupper, Kathy Mathews and Mrs. Barbara Munro are all pursuing higher education at the University of Alberta and will be commencing classes early in September. Mrs. Barbara Munro, B.A., has been accepted in the school of library science at the U of A in a post-graduate course of one year and upon completion will be awarded a Bachelor of Library Science.

Armand Savoie, branch manager here in St. Albert of Edmonton Auto Parts had his 1963 Chev. returned by the RCMP after it had been lost to thieves Sunday, August 12. Armand says his car was driven away from his residence at 3 Madison Ave. St. Albert and recovered by the RCMP and Edmonton City Police Tuesday, August

14. The stolen car was abandoned about one block from the Edmonton City Police Station with about 100 miles registered on the odometer, its gasoline tank empty and the forged ignition key locked in the 'one' position. No visible damage was detected, however, the insurance company had the vehicle checked by a mechanic for possible motor damage. Armand says his \$15 fire extinguisher is missing. Police in St. Albert and Edmonton are investigating the theft.

ATTENDANCE AREAS

SIR ALEXANDER MACKENZIE ELEMENTARY SCHOOL will serve all elementary pupils living in the following areas:

- ALL of Braeside
- The part of Forest Lawn lying between Forest Drive and Sir Winston Churchill Avenue; however, it may be necessary to send some pupils from this area to Leo Nickerson School in order to balance class sizes.
- All of Mission Park, with the exception of pupils already assigned to Leo Nickerson School for the 1973-74 school year. (busing provided).
- Lacombe Park (busing provided)
- Grandin Village (busing provided)
- Grandview Ridge (busing provided)
- Graham Avenue, Greer Crescent, and Glenwood Crescent (busing provided)
- Goodridge Drive, Garfield Place, Galaxy Place, Greenhill Street, Garraway Place, Garcia Place, Gloucester Drive (busing provided)

LEO NICKERSON SCHOOL will serve all elementary pupils living in the following areas:

- The Sturgeon Heights Subdivision
- The part of Forest Lawn south of Forest Drive (including both sides of Forest Drive); this is the area that lies between Forest Drive and Hebert Road; however, it may be necessary to send some pupils from this area to Mackenzie School to balance class sizes.
- Pupils in Mission Park (south of St. Vital Avenue) who have already been assigned to Nickerson School for the 1973-74 school year (busing provided).

(Busing will be provided for all students living 1 and one-half miles or more from Lorne Akins School).

PAUL KANE HIGH SCHOOL will serve all high school students living in the St. Albert Protestant Separate School District as well as any high school students in the Sturgeon School Division who wish to attend.

(Busing will be provided for all District high school students living one and one-half miles or more from Paul Kane School).

ROBERT RUNDLE ELEMENTARY SCHOOL will normally serve all elementary pupils in grades 1 to 4 and two grade 5 classes in Grandin Park except for the following areas which have been assigned to Mackenzie School.

- Grandin Village
- Grandview Ridge
- Graham Avenue, Greer Crescent, and Glenwood Crescent
- Goodridge Drive, Garfield Place, Galaxy Place, Greenhill Street, Garraway Place, Garcia Place, Gloucester Drive
- It may be necessary to bus a number of grade 2 and grade 4 pupils living in Gatewood Avenue, Greenbrier Crescent, and Glenhaven Crescent to Mackenzie School because of over-enrollment in these grades at Rundle School.

SIR GEORGE SIMPSON SCHOOL will serve the following grades and areas:

SIMPSON ELEMENTARY

The remaining grade 5 pupils (those not attending Rundle School) and all grade 6 pupils living in Grandin Park WITH THE EXCEPTION of the following areas which have been assigned to Mackenzie School:

- Grandin Village
- Grandview Ridge
- Graham Avenue, Greer Crescent, and Glenwood Crescent
- Goodridge Drive, Garfield Place, Galaxy Place, Greenhill Street, Garraway Place, Garcia Place, Gloucester Drive.
- And possibly a number of grade five and grade six pupils living on Gatewood Avenue, Greenbrier Crescent, and Glenhaven Crescent if classes are too large.

SIMPSON JUNIOR HIGH

- All junior high students living west of the Highway and south of Winston Churchill Avenue (including all of Grandin Park and the Ball Estate)
- All NEW grade 7 and 8 students in the Lorne Akins attendance area (including Braeside, Forest Lawn, Sturgeon Heights, Mission Park, Lacombe Park) owing to lack of space for these grades at Lorne Akins School. (Busing will be provided for all students living one and one-half miles or more from Simpson School).

LORNE AKINS JUNIOR HIGH SCHOOL will serve all junior high school students living in the following areas WITH THE EXCEPTION of new grade 7 and 8 students arriving in the District after June 22, 1973:

- Braeside
- Forest Lawn
- Sturgeon Heights
- Down Town
- Mission Park
- Lacombe Park

NOTE - It is hoped that the above attendance areas can be maintained throughout the 1973-74 school year. However, if classroom space for any grade becomes filled in one school, it will be necessary to send additional pupils to other District schools that have available space.

REGISTRATION TIMES AND PROCEDURES

- ELEMENTARY AND JUNIOR HIGH STUDENTS will register during the morning of Monday, August 27th. It is suggested that the following schedule be followed in order to reduce queuing:

Surnames beginning with the letter A - G 9:00 - 9:45 a.m.
H - N 9:45 - 10:30 a.m.
O - Z 10:30 - 11:15 a.m.

All students will return for regular classroom instruction in the morning of August 29.

Local couple married in St. Albert Church

St. Albert Roman Catholic Church was the scene of a lovely summer wedding when Father Jacques Joly conducted the service uniting two local young people in marriage.

Simone Bolsvert, daughter of Mr. and Mrs. Daniel Bolsvert of St. Albert, and Kasper Halwa, son of Mrs. Mary Halwa of Villeneuve district, now making her home in St. Albert, exchanged vows in a triple ring ceremony on July 7. Wedding

music was by Mrs. Jeanette Martel, organist, and soloist Jeanne Martineau, who was accompanied by Donald Martineau.

Given in marriage by her father, the bride was radiant in a full length gown of white satin, flowing into a train. Narrow panels of daisy lace accented the line of the gown from shoulder to hemline and matching lace trimmed the neckline. The gown featured full long sleeves with deep cuffs. Adainty headband of lace daisies held her chapel veil and she carried a bouquet of yellow sweetheart roses with stephanotis.

Pauline Bolsvert was maid of honor for her sister and bridesmaids were Joanne Bolsvert, Rosemarie Flynn and Karen Cassidy. Little Jeanette Bolsvert was a charming flower girl. All the attendants wore floor length blue gowns with matching circlets of flowers.

Attending the groom were Leonard Halwa, his brother, Leo Franche, Neil and Barry Flynn. The twin brothers of the bride, Raymond and Robert, ushered the guests.

A reception and banquet followed at the St. Albert Community Hall for 150 guests, when Mr. William

Flynn acted as master of ceremonies. Mr. Roland Bolsvert, an uncle, proposed a toast to the bride. The bride's mother wore a long gown of blue tulle, accented by a corsage of pink roses. Mrs. Halwa chose a floral gown in pastel green and coral tones, with yellow roses as corsage.

Special guests were Mr. and Mrs. Kasper Halwa, grandparents of the groom, Mrs. Aimie Bolsvert and Mrs. Marie Lavole, the bride's grandmothers.

About 360 friends and relatives enjoyed the wedding dance to the music of the Twilights.

Following a trip to Vancouver and other points in B.C., the young couple are making their home on the Halwa farm in Villeneuve district.

Two boats collided in a bog. In trying to back away, one banged into the other again. Hoping to be of aid, the other was in danger, one of the boatmen shouted. "Can you stay afloat?" "Why?" a voice came back. "Are you going to try it again?"

Funeral Services for Mary Morasse

MARY MORASSE

Prayer services were held August 8 in St. Albert Roman Catholic Church for Miss Mary Morasse, who died after a very short illness on August 5th at the age of 74 years. Father R. Sevigny officiated and music was by Mrs. Bertha Kennedy at the organ and Mrs. Leon Tellier, soloist.

Father Colin Levanque conducted the funeral services on the following day in the church. Ernest Meunier was soloist and the epistle for the mass was given by Bertha Kennedy. Serving as pallbearers were Clayton Milroy, Gerard Leclonard, Wilfred Dube, Martin O'Shea, Paul Dube and Marcel Lupine. Interment followed in the church cemetery.

Following both services luncheon was served at the home of Mike and Isola O'Shea in Edmonton.

Miss Morasse is survived by one sister, Mrs. Lillie Sevigny, Edmonton; two brothers, Willie of St. Albert and Raoul, California; and a number of nieces and nephews. She was predeceased by her parents, Mr. and Mrs. Eleude Morasse, and one sister, Mrs. Leo Bellerville. Born April 8th, 1899, in Mennonite, Michigan, U.S.A., Mary came to St.

Albert with her parents in 1900, when they purchased the Bill Gussie farm, two miles northeast of St. Albert on Bellerose Drive. She continued to live there for all of her life, making her home with her brother Willie after the death of her parents.

Miss Morasse kept healthy and active right up to the time of her death and enjoyed taking care of her large garden and flock of chickens. She was a member of the St. Albert Senior Citizens Club and had planned to join a club tour on the Monday following her death. She was stricken with a heart condition on the Sunday morning August 5. In 1971 Mary and Willie enjoyed a trip to California to visit their brother Raoul, his wife Claudia and their family.

Busing will normally be provided for elementary pupils living 3/4 of a mile or more from school, and for junior and senior high school students who live 1 1/2 miles or more from school. Eligible students will be issued bus passes at the schools. Parents are requested to contact the Secretary-Treasurer to make arrangements for pupils requiring special transportation because of medical reasons. (Busing will begin on August 29).

MR. & MRS. WILFRIED GRUEBER

Grueber - Moller Wedding

In an afternoon ceremony, Saturday, August 18 in St. Albert United Church, Delores Arlene Moller and Wilfried Harry Grueber exchanged wedding vows. Delores is the daughter of Mr. and Mrs. Lyle Scott, St. Albert. Wilfried is the son of Mr. and Mrs. Gerhard Grueber, St. Albert.

The double ring ceremony was performed by Rev. Douglas Weatherburn before an altar decorated with baskets of white mums and mauve gladiolus.

Given in marriage by her father, Delores looked lovely in a floor length peau de sole sheath gown featuring lily point sleeves of rachelle lace with matching train. She carried a white orchid surrounded with pink

pinocchio roses.

Sally Lawton was matron of honor, Brenda Kennedy and Carol Odenbach, a cousin of the bride, were bridesmaids. Janice Scott, sister of the bride was junior bridesmaid. They wore identical mauve and white floral, floor length gowns and carried bouquets of white daisies with mauve statice.

Klaus Grueber, brother of the groom was best man assisted by his brother Peter Grueber and Doug Ferguson. David Scott, brother of the bride was ring-bearer. Ushering the guests were Brian Scott and Mark Grueber.

Willi and his attendants wore white tuxedos trimmed with black and wore mauve boutonnieres.

For her daughter's wedding Mrs. Scott chose along rose gown with a corsage of white and pink carnations. The groom's mother wore a long yellow floral gown accompanied by a corsage of white and yellow carnations.

Following the ceremony a reception and dance was held at St. Albert Community Hall for 120 guests with music provided by Louis Blamonte and his orchestra.

Mr. Mike Truchon was master of ceremonies and called upon Mr. Gordon Chiles to say Grace in the absence of Rev. Weather-

burn. Mr. Norman Chiles proposed the toast to the bride to which the groom replied.

Out of town guests were numerous, coming from Germany, Kittimat, B.C., Fertile, B.C., Calgary, Red Deer, Blackfalds, Himbey, Wetaskiwin, Millet and Edmonton.

Open house for gift opening was held the next day at the Scott residence after which Willi and Delores left on a honeymoon at Waterton Lakes. The happy couple will make their new home in Edmonton.

New Driver's Licenses Include Color Photo

Hon. Clarence Copthorne minister of highways and transport last week introduced the new driver's license identification card to members of the media. The new plastic driver's license card will be made available to citizens of Alberta effective August 20.

The new license contains all the information found on the current driver's license along with a color photograph of the licensee. The two-part license is sealed in a heat-treated plastic pocket. Mr. Copthorne said that the new driver's license will effectively serve Alberta better as a bona-fide identification document. The RCMP have assured the department of highways that duplication, forgery or making changes on the new license "would be extremely difficult."

Driver's licenses are now issued for a five-year period. Prior to its expiry date the licensee will be issued with an application form which he must take to one of 100 locations in the province.

Snoopy Goes Home

The St. Albert Public Library's first Summer Reading Club ends this Saturday when about 200 local youngsters will bid a fond farewell to Snoopy, their mascot during the club's summer session.

This year's Snoopy Summer Reading Club marks the library's initial effort in this area and a very successful first. Anticipation was keen when cartoons of the beagle gang were circulated to all local elementary classes and eager readers started signing up in June. Many teachers actively encouraged their students to join for the pleasure of reading good books and the extracurricular it involved. Their encouragement will pay off this fall when school begins again.

Every Tuesday and Thursday morning during the summer lineup of readers, anxious to record their most recent titles read to their reading lists, formed at the library. Now their efforts will pay off with the party planned this Saturday to celebrate the conclusion of this summer program. From 10 a.m. to noon all Summer Reading Club members are invited to a party at the library. There will be a puppet show, games, songs, prizes and diplomas for everyone. You must be registered in the Summer Reading Club to attend, however.

And those planning on coming are reminded to dress up as a storybook character to add color to the event.

Thank You

I would like to express my heartfelt thanks to friends, neighbors and relatives for masses, flowers and many expressions of sympathy during my bereavement in the loss of my sister, Mary.

My thanks goes also to Fathers Levangie and Joly, the pallbearers and the doctors and staff at Sturgeon General Hospital, and to Mr. and Mrs. O'Shea for refreshments served following the services.

Sturgeon Farmers Airspray 10,200 Acres With Lannate

Don England, fieldman with the Municipal District of Sturgeon and his assistant Sid Kuhn saw the last of the planes involved in the spraying of rape field crops fly out of the district last Sunday after the last field was treated with Lannate against the annual invasion of Bertha Armyworms.

Mr. England said when Walker's Flying Service aircraft moved into an adjoining municipality Sunday night, 10,200 acres of rape had been air sprayed in the MD of Sturgeon. He also said that there are a few district fields that may have to be sprayed during the coming week and foresees no prob-

blem in this regard because Walker's Flying Service stands ready to return and 'mop up' the few acres of rape remaining untreated.

The genial fieldman and his assistant started air spraying operations in the MD of Sturgeon on August 3 and proceeded on a round-the-clock schedule until August 19 when the trying job was completed.

"We directed the fleet of air sprayers and took orders from farmers, from sun-up to sun-down while the operation was going at full tilt," Mr. England said. During the 10-day assault on the pesky worms, a total of 110 district farms were sprayed cover-

ing 10,200 acres. Mr. England also said that one ton of Lannate powder was used to spray the 10,200 acres plus 200 gallons of Lannate liquid. Spraying was done by two aircraft from Walker's Flying Service and a third aircraft was available when orders for spraying deluged the municipal office.

Mr. England, interviewing last year's operation, confirmed that 13,300 acres were sprayed with Lannate. He was not able to give a reason for the reduction in acres sprayed, however, he ventured the opinion that local farmers may have seeded earlier thereby partly beating the infestation. "This opinion might account for part of the reduction," Mr. England said, "and perhaps fewer acres have been sown to rape this season than last," he suggested.

In reply to costs involved in the spraying operation, Mr. England revealed that air spraying will come to about \$4 per acre. When asked about the average yield per acre, Mr. England estimated it at about 20 bushels. He would not hazard a guess of the price of rape seed, but nevertheless pointed out that at a cost of \$4 per acre, air spraying was indeed a good protective investment because in some years rape seed has sold for an average of \$7 per bushel. "But that's not saying what rape will be sold at this Fall," he concluded.

Baby Shower held in Calahoo

By Liz McLeod

Mrs. Phyllis Rothwell got a pleasant surprise recently when friends put on a baby shower for her infant son Clay Vane.

Some 31 friends and neighbors gathered to enjoy a whist drive with six tables participating.

The most surprised winner of the ladies high with 82 points was Liz McLeod with Marlene Kolesar a close second and a visitor, Mrs. Mary Calder from Blue Ridge, receiving the booby prize.

We also had an opportunity to see the honored guest, wee Clay, besides Anita Bergstresler's Terry (creeping all around now) and Evelyn Paquette's Jason, waking all over, not to forget Doreen Quintal's infant daughter Terry Lynn.

Such a great variety of useful gifts including a high

chair and a stroller were opening and admired by all.

Phyllis graciously thanked all present for the pleasant surprise and for the gifts, and the hostesses, Mrs. Rita Letendre, Mrs. Lorraine B. Rubie and Mrs. Donna Berube.

A delicious lunch and friendly visiting ensued. It was a nice visit with Mrs. Dave Calder and meet her young daughter Heather and to her that Mr. Jim Black is still tall and hearty up there.

Mr. Black is Pete McLeod's sister Helen and Peter Forbes's uncle.

New group formed in busy Calahoo

By Liz McLeod

Congratulations Calahoo on the new Agriculture Society! Hats off to this little district which has already so much activity going on under the sports' minded citizens in the Sports Association. Girls ball teams this summer were coached by Rita Letendre and Chris Berube who had the Squirts, 12 and under and Myles Kerr with the bantams. The mosquitoes boy's team, 11 and under was coached by Terry Toma and the bantams by Barney Letendre. Clifford Fowler's pee-wee team certainly had a good season also the senior ladies team coached by John Cagion had great success through the league games and in the playoffs.

These ladies played in the tournament at Calahoo on August 18 and 19 but lost to Clymont in their final game so were out of the money. Needless to say they played heads up ball, thoroughly enjoyable for the many spectators but Spruce Grove ladies received the laurels with Clymont in second place.

Now the remaining team to make up eight is our own Calahoo Chiefs, the senior men who also played heads up ball this weekend but lost a sizzler with Spruce Grove on the 19th afternoon thus waylaying them also.

During the summer months youngsters are being bused to Coronation Pool in the city by Audrey Granger for swimming lessons.

Recently John Wiltschen held a playground in Calahoo for the 5 to 12 year olds.

Harold and Audrey's son Dwayne Granger is supervising groups of boys who wish to learn how to tuff it, in any weather, out camping at Pine Sands beach. Bill and Eleanor Reynolds son's Wade and Scott were part of the group who were out on that rainy weekend but even so said they enjoyed it and

What proved to be a delightful southern tour was organized August 6-12 and nothing but the highest praise can be heard from the people involved who enjoyed that holiday.

Marjolaine Chamberland and Tim Deutscher and Laurent Coulombe of the MD department are happy also, that it turned out so well.

Only the rain stopped activities in Calahoo this summer and now there is a new group formed called the -- "West Sturgeon Agricultural Society of Calahoo" and here are its executive named at their organizational meeting recently: President Stanley Walker, 1st vice, pres. Bernie Ross; 2nd vice pres. Edward Berube; secretary, Mrs. Pat Sobolew-

ski; treasurer Mrs. Mary Victor.

The board of directors shape up this way: Henry Kolesar, Hector Quintal, Rita Letendre, Emilie Berube, Harold Christen, Erwin Rothwell, Leo Verbeek and Steve Sobolewski.

We must not forget one more active group in Calahoo. The Calahoo Women's Institute who organized in February of 1959 and have been working for Home and Country ever since.

Our most recent project is to preserve the history of the district and to this end money will be needed to publish the history. We asked the Agricultural Society for a grant to help us with the Flower and Vegetable Show slated for August 22 and indeed did receive a grant.

The Calahoo WI members were most grateful and hope there will be flowers to show after the rain and frost and that the public will come out and see the displays while visiting over a cup of tea or coffee from 1 to 4 p.m.

WILHELM SIEWERT

MORINVILLE MEMOS

By Flo McGinnis

The senior citizens tour of Southern Alberta was thoroughly enjoyed by all, and Dorothy Dalgnauld reports that everyone expressed the desire to go again next year.

The senior citizens last outing for the summer will be August 28 when they travel to Cross Lake. All the senior citizens are asked to be at the Recreation Centre at 9 a.m. sharp. Bring your lunch and fishing gear.

Summer is passing all too quickly and the Mothers Local of Guides and Brownies would like to remind all the good people in and around Morinville that the rummage sale is coming up once again in October. They have a place to store the clothing now so pleased don't throw anything away! They accept anything including rags, and it can be left at Jo Andersons, at Plains Western Gas and Electric Co. Ltd. behind the Library. This is about the only means of funds for

the Guides and Brownies so everything you give them helps the girls.

Visitors to Morinville for the Krauskopf - Bokenfohr wedding were Gall and Cliff Leckie of Kelowna, B.C., and Helen and George Parker and family from Grande Prairie.

Mrs. Charles Kieser with Mr. and Mrs. Clem, Steinfurt have returned from an extended trip in the latter's motorhome. They enjoyed three days fishing at Beaver Lake in the company of Mr. and Mrs. Schafers, then journeyed on to Alhambra, Peace River, Grande Prairie and returned through Whitecourt. They, with Charles Kieser, had recently returned from a trip through the mountains via Jasper, Mount Robson, Kamloops, Golden and visiting Mr. and Mrs. Herbert Seel at Invermere B.C.

The Mother's Local of Guides and Brownies would like to congratulate the girls boys and adults who passed

their swimming course this summer. They would also like to thank all the Mothers who came and monitored on the bus. An extra special thanks to Paul Betscom-alt, the bus driver, who not only drove but also helped with roll call and looked after children's swimming cards.

Paulette and Eric Kool are pleased and very proud to announce the arrival of their selected daughter, two month old Lisa Jeanne Marie. Proud grandparents are Mr. and Mrs. Albert de Champlain of Legal, and Mr. and Mrs. Sikko Kool of Morinville.

They talked about the 'Great Balloon Race,' but for a few minutes on Monday morning, we were awed by the fact that it appeared the "Export A" balloon was going to come straight through the houses at the west end of Forget Ave. Of course the operators knew what they were doing, but I for one wasn't quite sure if the thing was actually going to get off the ground before it got to the telephone wires at the tracks. Anyway many of the neighborhood children had cheery "good mornings" for the men. It was quite an experience for the kids to have a conversation with the fellows as they soared overhead. No traffic problems were reported due to the unusual sight. Good thing it was Monday morning and not Sunday morning! -- If you know what I mean.

Bokenfohr - Kauskopf Nuptial Solemnized In Morinville

By Flo McGinnis

St. Jean Baptiste Church in Morinville was the setting for the double-ring ceremony on August 11 when Debbie Bokenfohr, daughter of Mr. and Mrs. Ernie Bokenfohr exchanged vows with Terry Krauskopf son of Mr. and Mrs. Joe Krauskopf.

Escorted to the altar by her parents, the bride was enchanting in a traditional floor length gown with train, fashioned from sheer organza with bodice and deep cuffs of chastilly lace. The bride's chapel veil was held in place by a dainty headpiece of lace with sequins and pearls. Red roses formed the bridal bouquet.

quet.

Bridal attendants: Annette Gervais, Connie Bokenfohr and Ann Soper chose identical floor length gowns of floral sheer complimented by pink picture hats. Floral arrangements of blue carnations centered with pink roses and held in pearlized frames were carried by the three girls.

The groom was escorted to the altar by his parents and was attended by groomsmen Dale Vranas, Kim Wierick, and Daryl Bruemels. To greet her guests, the mother of the bride chose a pleated gown in blue chiffon with white accessories and a

corsage of red roses. Mother of the groom wore a lilac gown of crepe, with sheer bell sleeves and a corsage of pink roses.

Baskets of pink roses decorated the altar for the double-ring ceremony, conducted by Rev. Father Primeau. Organist was Sister Marie Williams of Mearns, while Mrs. Bill Krauskopf was soloist. Several of the beautiful old hymns were a perfect addition to the ceremony.

A reception and banquet for some 130 guests was held at the recreation centre where Charles Krauskopf, uncle of the groom, was master of ceremonies. The toast to the bride was made by Ken Lesburg, cousin of the bride.

Later in the evening a reception and dance for some 450 guests was held in the recreation centre where the Satellites entertained the group. Out of town guests attending the wedding came from Kelowna, Grande Prairie, Oids, Mannville, and High Prairie.

After the honeymoon trip to Jasper, Kelowna and Banff Deb and Terry will make their home in Edmonton.

Popular Morinville Couple Marks 25th Anniversary

At a ceremony in the St. Jean Baptiste Church in Morinville on July 28, marriage vows were renewed on the occasion of the 25th wedding anniversary of Kathleen and Albert Verbeek. Rev. Father Primeau officiated at the 7:30 mass.

Mr. and Mrs. Verbeek were accompanied to the altar by Mr. and Mrs. Ben Bruens, (nee Leona Jarvis) who was the bridesmaid 25 years ago. Organist was Sister Mary Williams and soloist was Mrs. Ray Como.

Following the evening service a dance was held in the Morinville Recreation Centre with 275 relatives and friends present. A midnight buffet supper was served, after a program that was arranged by the family of three girls and six boys.

Master of ceremonies was Mr. Ed Verhulst. The two youngest of the family, Rita and Denis Verbeek rendered a song, and later Denis, along with a neighbor Theodore Turgeon entertained everyone with a song. Eileen, the eldest daughter read a poem that she composed; about little memories of childhood, things that happen, making family life meaningful and interesting. The poem was entitled "Bits and Pieces."

Jeanne, second eldest daughter, gave a talk on the importance of parents. As

the parents were presented with 25 long-stemmed roses and 25 silver dollars, Gordon, third eldest son, accompanied his two sisters Eileen and Jeanne, with his guitar as the three sang an appropriate song titled - Many Years.

Out of town guests for the celebration were: Albert's sister Mrs. Jeanne Sherris from Eugene, Oregon; and Mr. and Mrs. Albert Parrott and family from Grande Prairie.

Everyone spent a very enjoyable evening dancing, reminiscing and visiting.

MD of Sturgeon Deals With Heavy Agenda

All members of the Municipal District of Sturgeon council were present last Thursday and Friday for the regular August meeting and dealt with a heavy agenda.

Total MD expenditures for the month ending July 31 were reported by secretary-treasurer Alphonse Nobert at \$138,000. This report was followed by a summary of operations within the MD, for the July period and tabled by superintendent Robert Stack.

Mr. Stack's report indicated the MD has already spent \$64,520 on road maintenance. The July operations also revealed that 175.7 miles of road have been gravelled or re-gravelled at a cost of \$178,438 thus making this project in terms of cost per yard of gravel at \$1.44 spread on the roadways. It was noted here that a substantial increase per yard was being encountered. To date, the MD has also spent \$31,600 on road oiling.

In conclusion, superintendent Robert Stack's report showed that as of July 31 the MD public works has already spent \$375,000 of its budget of \$1,032,000.

The Municipal Council has approved, on an interim basis, the appointment of Bill Mabbutt of Gibbons as

sub-foreman of road construction. The appointment is effective immediately.

The MD Council agreed to provide fire protection equipment for the Evergreen Mobile Home Park and immediate area, located south-east of the municipal district, adjacent to the Alberta Hospital. The fire truck going to Evergreen is presently being used by the MD for spraying of road allowances where there are unwanted trees and weeds. Arrangements to lodge the equipment at Evergreen are presently being prepared and a volunteer fire brigade is also being selected and trained to man the Evergreen Fire Dept. The MD is presently considering the replacement of the spraying unit.

Council has appointed a committee of four to investigate a suitable site for a new sanitary landfill operation. The areas under study are north also northeast of Bon Accord. The committee made up of Walter Jerram, representatives from Gibbons, Ben Accord and the Health Unit have been instructed to obtain an option on a suitable site and return to council with a full report. It was pointed out that the proposed sanitary

landfill operation will be operated as a duly-sanctioned sanitary landfill according to regulations spelled out by the Department of the Environment.

The MD of Sturgeon Council is presently considering the appointment of a utility officer. This is a new position which is now being studied in view of the growing need within the municipality. The duties would include

among other responsibilities, supervision of utility installations, gathering data on district utilities and so on. The appointment has been referred to the executive committee for study and recommendations. Council was informed that the provincial government, is offering an annual subsidy of up to \$15,000 to assist in the training and other costs involved for the appointee.

Secretary-treasurer Alphonse Nobert read the announcement of the forthcoming fall convention of Alberta municipalities and counties. In the communication, it was revealed that the annual convention will be held in Edmonton from November 13 to 16. All members of the Municipal District of Sturgeon were appointed as delegates

Littau - Mahe Wedding

By Lucienne Montpetit

St. Emile's Church in Legal was the setting for the lovely wedding of Marie-Rose Mahe, daughter of Mr. and Mrs. Patrick Mahe from Legal to Wayne Littau, son of Mr. and Mrs. Henry Littau from Kelowna, B.C. The triple ring ceremony was performed by Father Bednar from Edmonton before an altar banked with baskets of pink and white dahlias and carnations.

The wedding music was played by Doreen Cornelis, with soloist Marie St. Martin.

Given in marriage by her parents, the happy bride was lovely in a portrait gown of ligoda styled in a gentle shape and outlined in alencon lace. Alencon lace edged the scoop neckline which extended into billowing free renaissance sleeves, delicately trimmed with matching lace. The flaring skirt swept into a circular detachable train. Her silk illusion veil was held by a III headpiece and she carried a bouquet of red roses.

Lorraine Hamblin, sister of the bride was matron of honor. Jeannette Champagne and Owen Kamplah were bridesmaids. The girls chose identical pink floral organ-die gowns with matching wide-brim hats. They carried

MR. & MRS. WAYNE LITTAU

led baskets of white daisies and baby's breath. Petite Jeannette Bolsvert, cousin of the bride, was flower girl. Jeannette was charming in her blue floral chiffon gown, with a basket of white daisies and baby's breath and a band of matching flowers in her hair.

Best men were Daniel Mahe (bride's brother), Patrick Warren and Wayne Sikroka. Todd Mahe was ring-bearer, (bride's nephew). Ushering the guests were Laurier Mahe and Bruce Littau (bride and groom's brothers).

A banquet was held at the Legal Community Hall for 225 guests and some 300 friends and relatives enjoyed the evening of refreshments and dancing.

Robert Hamblin, emcee, called upon Charlie Mahe to present the toast to the bride. To receive her guests Mrs. Mahe wore a pink floral chiffon gown, white accessories and pink cymbidium orchid on corsage. The groom's mother received her guests in a blue floral chiffon gown, white accessories complemented by a blue cymbidium orchid on corsage.

For her honeymoon the bride changed to a yellow tulle pant suit with a pink and yellow orchid corsage and white accessories. The happy couple are making their home in Edmonton.

Out of town guests came from Vancouver, Kelowna, Lethbridge, Calgary, Glenora, Wetaskiwin, Ponoka, Ekville, Sask., Lesterville and surrounding districts.

YES Report

By Debbie Mitchell

The Youth Employment Service will be coming to a close August 24 therefore I'd like to extend sincere thanks to everyone who made this service possible. I'd like to thank, mainly, the employers who were willing to hire the students seeking employment. I hope everyone was satisfied with the students' work.

Altogether this summer 33 students registered. However all these students could not be placed into jobs. We hope that we can continue this service next year. If there is as much participation as there was this year it will be possible. Thank you.

Card of Thanks

We wish to thank all our friends and relatives for making our 25th Anniversary so enjoyable. Thank you to all those who helped in their own special way. A special thanks to our children.

NAMAO NEWS

By Norma Crozier

Darryl Booth, son of Mr. and Mrs. Herbert Booth travelled to New Westminster, B.C. with the Edmonton Olympic Track and Field Club to participate in the Canada Games. Darryl is 16 years old and attends Lazerite High School in Edmonton. He competed in the Long Jump and placed eighth against 23 competitors from the 10 provinces and two territories, jumping 20 feet 8 inches. This event was won by a Calgary boy, Dave Burton giving Alberta a Gold Medal. Darryl reports the food was great, and he made a lot of new friends on this terrific trip.

The weatherman co-operated to make the Namao Community League's picnic a successful one on Sunday. A good crowd turned out for the fun. In the north versus south ball games the ladies

from the north won and the men from the south won out over the north.

Get well wishes to Mr. John Crozier who is a patient in Royal Alexandra Hospital.

The Namao UCW held its 32nd annual flower show and tea on Saturday, August 19 with a large crowd attending and a good display of flowers, fruits and vegetables, the judge, Mr. Barlow requested some of the entries be put in the Edmonton Horticultural show. Winners were: Uniform Grand Aggregate Trophy - Betty Lou Kindelem; Kindelem Trophy - total points 9 and under - Craig Kindelem; Kodak Electric Trophy - highest points 8 yrs. and under - Colin Robertson; Alice McRay Trophy - best exhibit in show - Betty Lou Kindelem; Sara Bell Tro-

phy - highest points for a junior - Lanny Robertson; Verna Burnett Prize - best junior entry - Donna Jeffery; Alma Paul 4H Trophy - Lanny Robertson; Zaychuk Trophy - best bowl of fruit - Arlene Speers; Barbara Crozier Sr. Citizens Trophy - Marjorie Clark; Margaret Craig Memorial Prize - best foliage plant - Doreen Pearce; Mrs. Fred McRay Memorial Trophy - best vase of flowers - Betty Lou Kindelem; Marjorie Clark Trophy - best vase of glads - Betty Lou Kindelem; Pat Jessen Trophy - best basket of flowers - Betty Lou Kindelem; Rosa Samis Trophy - best glad in show - Evelyn Griffith. The door prize was won by LeAnn Stewart.

The UCW extends thanks to all who helped make this such a successful day.

LEGAL

Raymond Hills and Juliette Gagne were feted at a social evening at the community hall recently. Raymond (Butch) and Juliette will exchange marriage vows on August 25.

SCHOOL OPENING

School will open on September 4. Buses will collect pupils at the usual time on the morning of September 4. It is important that all students be present during the morning of that day.

Students will be dismissed at noon on Sept. 5, and buses will run at that time. The afternoon will be an on-orientation half-day devoted to organization and only the teachers will be at school.

Any students who have moved in Legal since the end of June should register before the end of August, and should contact the principal Mr. Dixon Keane 598-2257.

Coronado plans Fall programs

The old time residents of Coronado cordially invite the newcomers to make full use of the church, hall and grounds. The community is interested in learning what residents would like to plan for recreation this winter as well.

An upholstery course will get going again as soon as possible. Sunday School begins Sept. 2nd at 11 a.m. and Church service is held at the same time on the following Sunday, Sept. 9th, services will be at 2 p.m.

Girls interested in joining C.G.L.T. should contact Mrs. J. St. Nicolas. A boys club is presently being organized.

UCW Unit One met on September 4 at 2 p.m. at Mrs. Ray Dawson's home. Unit 2 will meet September 5 at 8 p.m. at the Church Hall. Everybody is welcome to attend these meetings.

On July 18 Coronado UCW units one and two visited Emmanuel Home, senior citizens apartments situated at Belmont. It was built by the Christian Reform Church with the help of a government grant, and is truly a building to be proud of. About 65 to 70 people live there. Meals are served in the dining room for anyone who doesn't wish to cook. The church is just outside the door and a bank comes to cash cheques and help residents with their business.

A little store sells necessities, laundry and recreation facilities are good. Our UCW ordered a birthday cake for residents celebrating birthdays in June and July. One of our former members Mrs. R. Vandenberg, who resides there with her husband, and whose birthday we were honoring, cut the cake. Cakes made up that morning by four ladies, were planned on the 14 birthday celebrants. Songs, reading and visiting finished a very interesting afternoon.

46 young people attend 4H Conservation Camp

Patrick Ferbey of Bon Accord joined 45 other young Albertans for a week of intensive conservation study at the James River Bible Camp near Sundre.

They were delegates to the eighth annual 4H Conservation Camp sponsored by Calgary Power Ltd. and Alberta Power Limited in conjunction with 4H, the Junior Forest Warden Branch of Alberta Culture, Youth and Recreation; the Alberta Departments of Environment and Lands and Forests, as well as the Olds College.

During the full week of conservation study, the delegates selected two of five study areas -- soil, water or forest management, fish and wildlife management -- under the general theme of Five In One.

"To be exposed to new and

valuable information, and made the wisest for it is a wonderful thing, but to keep that new found knowledge to yourself is wasteful," says Mahlon Weir, co-ordinator of the 4H Conservation Camp. "It is a fact of life that pollution results from people. Conservation is a conscious effort to offset, and hopefully eliminate, pollution. People are not about to be eliminated, but they can be made more aware of what they can do to help conservation efforts. The 4H Camp and community related program that will follow is one way of making people more aware of their environment," he continued.

The investor-owned electric utilities sponsor the annual week-long venture as part of their concerted effort to make the public more aware of their environs.

Lectures from five qualified personnel in their respective disciplines, slides and films occupied about half the camp sessions, with the balance taken up in field trips, panel discussions and a mock public hearing.

Shown during one session of intensive nature and conservation study at the 4H Camp August 12-18 are from left to right, camp instructor George Maduram; Ed Douglas from Onoway; Randy Lovich from Cherrill and Patrick Ferbey from Bon Accord.

Landfill Project Rangers & Guides had wonderful Wyoming trek

and damaging private property. It was also noted at the public hearing that other municipalities lying on the boundaries of Edmonton, such as the counties of Parkland and Strathcona have implemented a 'no shooting' bylaw in recent years thus barring vandals from those areas and openly inviting them to the unprotected MD of Sturgeon.

All members of the MD

Council did not hesitate to push the 'no shooting' bylaw through second and final reading last Friday and thus ratify the new piece of protective legislation.

Reeve Walter VandeWalle told The Gazette that signs are being posted throughout the municipality and the RCMP have been urged to police the district against this type of annual vandalism, especially prevalent during this time of year.

By Ruth Horne

When driver Don Johnson wheeled the Western bus carrying 15 St. Albert Rangers and Guides, their four leaders and all their gear into St. Albert about 12:45 a.m. Monday, a five-month project had been successfully completed.

The Rangers and Guides were returning from the Wyoming Trek, a 10 day trip to Ten Sleep, Wyoming. Along the way they had visited historic and scenic sites

had rafted down the Snake river. At Ten Sleep, they camped with approximately 480 Girl Scouts, their American counterparts and backpacked up and down a mountain.

Wearing navy blue socks and shorts, white blouses and white Stetsons bearing the Alberta crest and carrying a navy blue shoulder purse that bore an especially designed crest proclaiming St. Albert and the Canadian beaver, the St.

Albert girls were outstanding as the only -- and the first -- Canadians on the American Girl Scout camp site.

Further supporting the Canadian identity was their mascot, the beaver Barney Barney, an almost life-size model of foam rubber and brown felt, and also wearing a white Stetson, carried the Canadian flag. Barney was with the girls wherever they went.

Leaving St. Albert at 8 a.m. August 9, the girls arrived at Ten Sleep August 12 at 10 p.m. From August 12 - 16, with the girls from Lacrosse, Wis., they backpacked a 28 mile mountain trail. The ascent was about 7,200 feet, and each girl carried about 28 pounds of foodstuff and equipment.

The trail led past ice caves and "sinks," hollows created by an underground river. The girls rested during the hot afternoons and travelled during the evenings and early mornings. After two bright moonlight hikes over sagebrush mesas, they reached the point at which the river emerged from the mountain.

The evening of their return to the Ten Sleep camp site, the St. Albert girls presented the evening campfire for about 150 Girl Scouts. The next morning they went trail riding.

On their way to Ten Sleep the girls toured Glacier National Park and the once boom town, Virginia City. They saw the Old Faithful geyser area of Yellowstone National Park, "looked around" at Jackson Hole in Grand Teton National Park and rafted 10 miles down and back the Snake river.

Ten Sleep had also afforded them opportunity to view Indian photographs and an archaeological dig.

On the way home they visited the Little Bighorn site of Custer's battle. They were billeted overnight in the Great Falls Girl Scout Activity Centre and served breakfast by seven senior Great Falls Girl Scouts. Browning, Montana, and the Museum of the Plains Indians there was the last

major sightseeing event.

The Wyoming Trek project began in January with an invitation to First St. Albert Rangers from a Lacrosse, Wis., group of Girl Scouts to join them for a camp at Ten Sleep. At Ten Sleep, among the Bligh mountains is the Girl Scout national centre west. For the Rangers and the Guides assisting them the next five months involved industrious fund raising, and minute planning of camping equipment and food supplies.

Making the trip were: Rangers Kathy Engel, Leanne Mill, Chris Teller, Ellen Toller, Carol Rasmussen, Valerie Kelly, Shalagh O'Hara; Guides Jean Toller, Susan Kovis (Calgary); Melanie Erickson, Cathy Troughton, Bev Larsen, Bonnie Engel, Maureen Wurtz, Denise Brunner, Debbie Simpson, Leaders - Nan Engel, Ann Sargent, Yvette Houle (Edmonton) and Evelyn Fraser (Gibbons).
